

FISCAL NOTE

HB 226 – SB 264

February 8, 2007

SUMMARY OF BILL: Requires the Tennessee Department of Transportation (TDOT) to implement a directional signing program for all institutions of higher learning, specifically including the Fire Service and Codes Enforcement Academy.

ESTIMATED FISCAL IMPACT:

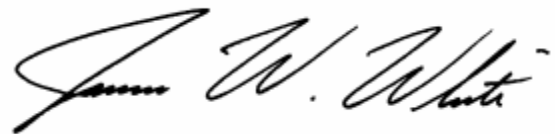

Increase State Expenditures - \$14,250 – One-Time / Highway Fund

Assumptions:

- According to TDOT, the Fire Academy in Bedford County was not included under current law and enactment of this legislation would authorize the appropriate signage.
- According to TDOT, the above-mentioned Fire Academy would be the only institution that would require new signage under this bill.
- The cost to manufacture and erect two mainline interstate signs is estimated to be \$5,160 each (2 x \$5,160).
- The cost to manufacture and erect two ramp signs is estimated to be \$1,965 each (2 x \$1,965).

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White".
